Patents

Patents 1 - 10 on **generating transaction message path integration**. (0.03 seconds)[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Computer/telephony integration

logging application

US Pat. 6236723 - Filed Jun 29, 1998 - Aspect Communications

15 Unlike **message** information that may be stored in call center 202, ...**Transaction** processor 306 includes call center 302, CTI server process 326, ...

Method and apparatus for **generating** a record from a time-marked information ...

US Pat. 6598078 - Filed Apr 29, 1999 - Aspect Communications Corporation

3 is a diagrammatic representation of **transaction** servers, web servers, ComputerTelephony **Integration** (CTI) processing systems, according to an exemplary ...

Method and apparatus for managing control messages in a communication system

US Pat. 6240067 - Filed Oct 6, 1997 - Ericsson Messaging Systems Inc.

TCAP stands for **transaction** capabilities application part, ISUP for ISDN user... The **message** transfer part (MTP) reliably transports and delivers user part ...

Intelligent service peripheral device

US Pat. 6104803 - Filed Jan 30, 1998 - Alcatel USA Sourcing, L.P.

Basic call manager 62 provides the call model for the protocol associated with

each service request **message**. Feature **integration** manager 64 determines which ...

System and method for automated telephone **message** routing using an altered ANI

US Pat. 6661882 - Filed Apr 26, 2000 - Citibank, N.A.

The Network Intelligent Call Router (NICR) uses the Call ID portion of the **message****generating** call routing instruction. The value of each "screen pop" will ...

Inter-server communication using request with encrypted parameter

US Pat. 6970849 - Filed Jun 27, 2000 - Microsoft Corporation

URL 10 encryption object 74 is provided for **integration** into the ... 12 78 logseach download **transaction** via a **message** posted to the local MSMQ client 86 ...

Computerized method and system for communicating and managing information ...

US Pat. 6678698 - Filed Feb 14, 2001 - Intralinks, Inc.

... it difficult to know or control the **path** by which any particular **message** will... such as the **integration** team involved in the post M & A **transaction**, ...

Method for allowing a clustered computer systems manager to use disparate ...

US Pat. 7178057 - Filed Jan 17, 2003 - Unisys Corporation

In the example shown, messages (represented by **message** buffers i 426, j 430, ...15 is a detailed diagram showing **integration** of the cluster/locking, ...

Controller system for interfacing with a work flow management system

US Pat. 6725224 - Filed May 17, 2000 - Phoenix Technology Patent Development Limited

Integration is completed, as shown in FIG. 3, by relating the **transaction** database

[Google Patent Search](#)

Patents

Patents 1 - 10 on **financial transaction messages translate**. (0.11 seconds)[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Financial transaction processing system and method

US Pat. 6302326 - Filed Jan 14, 2000 - Diebold, Incorporated

The need for **financial transaction** processing systems to **translate messages** from one format to another adds complexity and cost to such systems. ...

Financial transaction processing system and method

US Pat. 7167924 - Filed May 29, 2001 - Diebold, Incorporated

The need for **financial transaction** processing systems to **translate messages** from one format to another adds complexity and cost to such systems. ...

Financial transaction system

US Pat. 4727243 - Filed Oct 24, 1984 - Telenet Communications Corporation

The message is then transferred to the formatter with the **financial transaction** system 1 of the present 40. invention. With reference to FIG. 5, **messages** ...

Method and system for performing secure electronic monetary transactions

US Pat. 6058189 - Filed Jun 20, 1997 - Secure Choice LLC

The second trait of an ideal key would be to **translate** a "1" into "4," and to **translate** a "2" ... and it truly secures any n digit **financial transaction**. ...

Medical transaction system

US Pat. 5644778 - Filed Nov 2, 1993 - Athena of North America, Inc.

Otherwise, them of erroneously transmitted **messages**. **financial** transactor 52 continues ... the system's capability to **translate** between ted claim. ...

Multi-transactional architecture

US Pat. 6308887 - Filed Jul 2, 1999 - Cash Technologies, Inc.

Finally, the **financial transaction** would have to be completed to pay for the tickets. ... The host computer 40 would **translate** these instructions to the ...

Medical transaction system

US Pat. 6453297 - Filed Dec 31, 1996 - Athena of North America, Inc.

In this manner, the **financial** transactor 52 generates the data **messages** ... by the system's capability to **translate** between the data message formats and ...

Three tier financial transaction system with cache memory

US Pat. 6023684 - Filed Oct 1, 1997 - Security First Technologies, Inc.

By traversing a menu structure in this manner, a user can generate a query for an account balance, last **transaction**, or other **financial** information obtained ...

Financial consolidation and communication platform

US Pat. 6513019 - Filed Feb 16, 1999 - Financial Technologies International, Inc.

21, that allows users to enter **messages** for updating the market data, ...
